

SENATOR DWORAK: We're voting on the kill motion.

CLERK: Senator Don Dworak voting no.

SENATOR DWORAK: Record.

CLERK: 10 ayes, 16 nays on the motion to indefinitely postpone, Mr. President.

SENATOR DWORAK: Motion fails. Senator Keyes, what do you wish to do with the bill.

SENATOR KEYES: How does the bill stand now? Does it stand rewritten like Senator DeCamp wanted to write it?

SENATOR DWORAK: Clerk, would you....

SENATOR KEYES: It's probably one of the best pieces of legislation that I have had before this body today that has not passed. I move for the advancement of the bill.

SENATOR DWORAK: You wish to advance LB 502. Question? Excuse me. The board wasn't cleared. Pat, can you clear the board please. It's been moved to advance the bill. There are no other lights on. Senator Brennan. Please vote to advance the bill. I'll vote aye.

CLERK: Senator Dworak voting aye.

SENATOR DWORAK: Record.

CLERK: 26 ayes, 9 nays on the advancement of the bill, Mr. President.

SENATOR DWORAK: LB 502 is advanced. Do you have something to read in?

CLERK: Mr. President, LB 502A. Read title. First read on March 28, 1977.

SENATOR DWORAK: Senator Keyes, we have the A bill. Do you wish to move to advance?

SENATOR KEYES: Oh definitely, we must take the A bill and we must advance it. Thank you.

SENATOR DeCAMP: What does the A bill say, actually, now? I don't think we even need an A bill. We just straitened out where the money went. We just eliminated all the need for this extra money. If there is an A bill, of course, the Governor will have that in his budget when he wants to raise this additional revenue. He'll come in and explain his need for another half million, or whatever he thought he was going to get here.

SENATOR DWORAK: Senator Savage.

SENATOR SAVAGE: I move that we kill the A bill.

SENATOR DWORAK: Senator Savage, I think we need a written motion. Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, since the rules do not recognize a motion to kill a bill, I move that the bill be bracketed.
